

# Instructions for Authors

## Scope

*Arthroscopy: The Journal of Arthroscopic and Related Surgery* seeks to provide readers with current information on clinical and basic research, review articles, technical notes, case reports, and editorials about the latest developments in arthroscopic surgery, knee surgery, and orthopaedic sports surgery. All articles are subject to peer review. Letters to the Editor and comments on the Journal's policies or content are welcome. **All submissions to *Arthroscopy* should comply with the Instructions for Authors.**

### Online Submission and Review at *Arthroscopy* (<http://ees.elsevier.com/arth/>)

The *Arthroscopy* Journal uses a Web-based online submission and review system. Please visit our Web site (<http://ees.elsevier.com/arth/>) to submit your manuscript electronically. There, after registering, authors will be guided, step by step, through the uploading of your own files and your approving of the single PDF that will be created from them. Through our Web site, you can track the progress of your manuscript. Communications about a manuscript will be handled through e-mail.

Please access our Web site for more specifics about online submission, including: a Tutorial for Authors, a Help Page of frequently asked questions, and a link to Author Support by e-mail that is monitored "24/7."

Note: As of July 1, 2005, the Journal will no longer accept manuscripts submitted by mail.

Instead, you are encouraged to take full advantage of online manuscript processing and faster turnaround times at all stages of the submission, evaluation, production, and publication process by visiting our online submission and review system (<http://ees.elsevier.com/arth/>) today.

### Recommended Maximums for Articles Submitted to *Arthroscopy*

Type of Article	Number of Words*	References	Figures (Figure Parts)	Tables
