Bring It On!

To the Editor:

The editorial entitled "Controversy in *Arthroscopy*: Bring It On" by Drs. Lubowitz and Poehling in the May 2010 issue is inspirational!

Editor's Note: We thank Dr. O'Driscoll, for now it is he, as well as we, who may jointly encourage authors who are feeling controversial to "bring it on."

Shawn O'Driscoll, M.D., Ph.D.
Rochester, Minnesota
