

## Announcements

---

Laissez les bon temps rouler! Join leaders in arthroscopy and minimally invasive surgery in the Big Easy as they convene at the world's largest arthroscopy-focused event of the year: the **2023 AANA Annual Meeting**. Colleagues from around the world will participate in scientific sessions, feature lectures, instructional course lectures and more! **Register now at [aana.org/aana23](https://aana.org/aana23)**.

Refine your arthroscopy skills anytime, anywhere with **AANA Online Education**. Each online learning activity is customized to your career needs and covers a variety of joints, making it simple to stay on top of your arthroscopy knowledge. **Purchase your next activity at [aana.org/onlineed](https://aana.org/onlineed)**.

**NEW MEMBER BENEFIT!** AANA is excited to introduce our **brand-new + CME Subscription**, available exclusively to members! For only \$250 (over \$5,500 in savings!) members receive one full year of unlimited access to the AANA Learning Center. **Learn more: [aana.org/pluscme](https://aana.org/pluscme)**.

**AANA lab courses** offer attendees a personalized learning experience like no other. Our hands-on cadaveric training courses utilize the latest technology and expert knowledge from leading surgeons to ensure attendees walk away with the refined skills needed to improve patient outcomes. **Find your course for at [aana.org/skillstraining](https://aana.org/skillstraining)**.
